2. Recognize former Brecksville-Broadview Heights School faculty members who have exemplified the true meaning of teaching by their dedication and devotion to the students of the Brecksville-Broadview Heights School District.

Graduate nominees must be graduates of the Brecksville-Broadview Heights High School. Faculty member nominees need not be graduates of Brecksville – Broadview Heights School District. This is an honorary award with no monetary stipend. Each selectee will be required to provide his or her own transportation to the ceremony. The selection committee will consider all post high school achievements and activities in conducting the selection process.

Nominees selected must be able to attend all induction activities to be held on the BBHHS Alumni Weekend in the fall. Accordingly, the Gallery of Achievement Selection Committee shall determine when inductions will take place, dependent on the number of qualified nominations received. The induction ceremony program begins on Friday morning with a reception/continental breakfast, a presentation of the inductee's achievements, which earned this award to an assembly of high school students, followed by a luncheon and introduction to the fans and citizens of Brecksville – Broadview Heights at the Friday evening Alumni Football Game. A plaque with the inductee's bust will be added to the Gallery of Achievement Wall in the High School and the recipient will receive a duplicate plaque of honor.
